ABOUT UNIVERSITY
In a lush green, safe, serene and ragging-free environment, the campus provides state-of-the-art hostel accommodation, with the capacity to host 2,600 students in the hostels and houses a 550-bedded hospital, as part of the Medical College, with state-of-the-art medical facilities, and more than 200 doctors. The grand Central Library of the University holds more than 100,000 books and several hundreds of journals and magazines. The University lays focus on all-round career advancement of students. The University has tie-ups and academic collaboration with over 50 institutions worldwide. The University currently hosts students from more than 20 countries. Integral University has hosted several diplomats and dignitaries from African and Asian countries and enjoys the trust and support of the embassies on account of its quality education and infrastructure. The guidance and support that the University provides to its students in general and international students in particular, have brought accolades from the diplomatic community and student associations around the world.
Faculty of Pharmacy, Integral University Lucknow was established in 2004 with a view to provide job oriented professional courses in pharmacy. It has been approved by PCI (Pharmacy Council of India). The infrastructure available makes the college a conducive place for academic learning that provides students with quality education in a clean, comfortable eco-friendly environment.

Integral University is committed to provide an outstanding environment for excellence in Research and Development in all disciplines. The MOUs with the industry and reputed organizations for the research activities make it a unique academic environment that stimulates creativity and critical thinking, and providing impetus to recruiting, supporting, and developing highly-skilled motivated researchers.

Central Instrumentation Facilities of Integral University have a wide range of high-end instruments for pushing the boundaries of research in science and technology to higher level. These instruments and facilities help the faculties, research scholars and students to carry out globally competitive research in basic, applied and medical sciences.

ABOUT FACULTY OF PHARMACY:

Faculty of Pharmacy offers education for Diploma, Bachelor and Masters Program in Pharmacy apart from a six-year degree program leading to Doctor of Pharmacy. Our experienced faculty also guides research scholars pursuing Ph.D. degree in different disciplines of Pharmaceutical Sciences.

Novel approaches to treatment of diseases and new medications in the market over the past decade have contributed in a big way in the rapidly growing health care sector. The pharmaceutical industry in India is poised to grow at a rapid pace in the next decade and a qualified pharmacist finds innumerable job opportunities that no other discipline may offer.

As reflected in the University Mission, we are driven by the belief that every student deserves high quality education. The Faculty is part of a comprehensive health sciences campus dedicated to health education, research, and patient care. The faculty members care deeply about teaching & mentoring our students employing both traditional and modern methods of teaching and are supported through excellent infrastructure. The highly qualified and experienced staff is committed to impart the knowledge and skills in diverse fields like drug design, drug development, natural product research and pharmacy practice to prepare future health care leaders.

Recognised as a Scientific & Industrial Research Organisation (SIRO) by the Ministry of Science & Technology, Govt. of India
