No.LUS/CONS/415/20/14

Dated: 26th June, 2014

NOTICE

There have been a number of queries from applicants who have applied for OCI services at High Commission of India, Lusaka since April, 2014 and are waiting to receive their cards. While the normal processing time for OCI applicants in the past has been 60 days, due to reasons beyond our control at the New Delhi end, we regret the delay in printing of OCI Registration cards and are currently unable to specify the timeline for the receipt of the OCI cards from India.

In the prevailing situation, any applicant who wishes to travel to India may apply for an appropriate visa in advance.
